La Philosophie et Les Politiques

Consultations

Before we perform any service, we do a complete consultation with you. We want you to be happy with your look, and we want you to feel comfortable with its cost and home maintenance program.

Pricing

All service prices are based on the time spent, the length of hair, the cost of products and the stylist's years of experience and training. We have several levels of stylists with corresponding prices.

Tips

Tips are greatly appreciated but are not required. Tips that are included in checks or credit cards charges will be added to your stylist's paycheck.

Special Requests

Out of courtesy to other clients we ask that children visit the salon only when they have an appointment and to please turn your cell phones to vibrate. That French Salon is a smoke-free environment.

Returned checks

A \$20.00 charge will be placed on all returned checks.
